Illegal dumping is a crime.

The person who dumped it illegally is punished by "law about processing of waste and cleaning".

An actor: Penal servitude young SHIKU in less than 5 is a fine for less than 10,000,000 yen or heiryuu. It's a fine for less than 300,000,000 yen in case of a corporation.

Open burning is prohibited.

When doing open burning (Garbage incineration by a drum and a small incinerator was included.) without permission, a fine for less than 10,000,000 yen is imposed on penal servitude young SHIKU in less than 5, so I'll stop by all means. Further ignition based on a forest act (withered grass baking and rice straw baking) is admitted as an exception. An application of ignition needs preliminary notification to the public office industrial department.
